## 2022 Busker Guidelines

---

The Cochrane Farmers' Market is open to all forms of street entertainment, including, but not limited to dance, street theater, spoken word, juggling, magic, and music of all kinds. The outdoor Market by the Bow takes place in the parking lot at Spray Lake Sawmills Family Sports Centre on Saturday mornings from 9:00 am to 2:00 pm. Outdoor markets are all-weather, open rain or shine.

- 1 There is no cost for busking at the Cochrane Farmers' Market, however; all buskers must fill out a Busker Application and be approved by the Cochrane Farmers' Market.
- 2 Check in with the Market Manager upon arrival no later than 30 minutes before market opening time.
- 3 Buskers are required to stay at the Market for the full time of market operation unless an alternate schedule for valid reasons has been requested and approved.
- 4 As the Cochrane Farmers' Market is an open-air market, typically only one musical performer may be permitted at each Market, however; two may be allowed in certain circumstances.
- 5 We ask all entertainers to consider that performances should be suitable for a family-based audience.
- 6 In consideration of Market vendors and the customers, buskers are NOT permitted to use amplification devices without prior approval.
- 7 Performers will only perform in designated areas as directed and may be asked to move to alternate locations during the market.
- 8 Compensation:
  - .1 CD's produced by the artist may be sold but no other merchandise unless approved in advance by the Cochrane Farmers' Market.
  - .2 Buskers charging a set fee for services or other merchandise (i.e. balloon art, etc.) are not permitted.
  - .3 Performers may put out a hat or case to collect donations but may not verbally ask the public for money.
- 9 Performers under 18 must have the approval of their legal guardian. Performers under 16 should be accompanied by a responsible adult.
- 10 Performers may distribute brochures or have business cards available for customers.
- 11 Busking is intended to enhance the Market environment. Busking should never interfere with vendor/customer transactions.
- 12 Should a busker create a problem (i.e. noise, traffic concerns, inappropriate behaviour or performance, etc.) as defined and determined by the Farmers' Market Manager, the Busker shall agree to abide by the decision of the Market Manager. Should the problem be without resolution, the busker may be asked to leave the Market site.
- 13 If a busker is unable to attend the Market on their scheduled date, they are requested to advise the Market Manager no later than 5:00 p.m. three days prior to the Market date by phone or email.
