2025 Community Group Guidelines

The Cochrane Farmers' Market supports Cochrane and area not-for-profit and community groups by inviting them to participate in the market free of charge. Please note that the number of Community Group stalls may be limited during the season, the Cochrane Farmers' Market will make every effort to provide space for as many groups as possible during the season.

The outdoor Market by the Bow takes place in the parking lot at the SLS Centre on Saturday mornings from 9:00 am to 2:00 pm. Outdoor markets are all-weather, open rain or shine.

- 1 Available spaces can be reserved for education/community groups at each market. These are for not-for-profit organizations, or government agencies, which in some way contribute to the environmental, social, or cultural health of the Cochrane and area community.
- 2 Attendance at each market must be pre-booked. Priority may be given to groups who have not yet had a table at the Market in the current season.
- 3 The Market welcomes a diversity of community organizations, however; the promotion of specific political causes is NOT permitted, including the signing of petitions (NO EXCEPTIONS regardless of issue or cause).
- 4 Groups strictly promoting one political party, religious perspective, or ideology are not considered education/community groups and will not be approved for participation.
- 5 Local elected politicians representing their constituencies, but not the political party to which they may belong, are welcome to set up a community table at the Market, except for attendance on market dates that fall within one month of election dates for which they are running for re-election.
- 6 The Cochrane Farmers' Market will have absolute discretion to decide which non-profit community groups may participate in the market and to what extent.
- 7 Items for sale at community tables must adhere to all Market policies and be approved by the Market Manager. Items which appear to directly compete with market vendors may not be permitted. Items such as pamphlets, t-shirts, bags, etc., which enhance and promote the awareness of the organization will generally be allowed.
- 8 Groups must check in with the Market Manager upon arrival no later than 45 minutes before the market opening time. Groups will be designated a space at that time.
- 9 Groups are responsible for their own display materials (chair, tables, canopy, etc.) Cochrane Farmers' Market cannot supply running water or electrical hook-ups.
- 10 Spaces are to be left free of any garbage. Public garbage receptacles are not to be used for the disposal of waste. Please take your garbage with you when you leave.
- 11 Groups are required to stay at the Market for the full time of market operation unless prior approval has been requested and received.
